

The Hem of His Garment Bible Study Online

How to Apply to be an Online Bible Study Leader

Step 1

Introduce yourself. Complete the short application form provided on The Hem Bible Studies website. It's just for me to get to know you better - Quick and painless!

Your Next Step

Your next step in becoming a regular contributor at The Hem is to show me what you've got!

I would like for you to write a biblical article on a topic of your choosing. I say biblical article because, though our site is a Bible study site, I'm not looking for traditional Bible studies. Just practical articles on how to apply the Bible to everyday life.

Here are the guidelines:

- The article should include a minimum of 2 scripture references (include book, chapter, and verse).
- It should be between 500-900 words.
- It should not be theological, but practical and in your own natural style of writing.
- The article should end with a question that promotes reflection.

TIP: Try to include a few real life examples in your article.

Once you have completed the article, submit it using the Bible Study Notebook form.

IMPORTANT: End your submission with the words
BIBLE STUDY LEADER APPLICATION - All capital letters.
This alerts me that your entry is part of your application process.

And that is it!

I will get back with you concerning your volunteer application as soon as possible.

God Bless!
