† My Prayer Journal

Keeping track of your prayer requests and God's answers is a great way to build your faith.

It is a ready reminder of God's faithfulness.

When you are in a season of waiting on the Lord, return to your prayer journal and meditate on all of the times He has come through for you!

The earnest, heartfelt, continued prayer of a righteous man makes tremendous power available; dynamic in its working - James 5:16 (AMP)

Lord, These things I pray. I believe that I receive them in Jesus' name. Amen	Lord, I praise you for these manifestations of your promises
